

Appendix I

City of Galveston Historic Asset Inventory

Contents of this Section

I.1 City of Galveston Historic Asset Inventory

I.1 City of Galveston Historic Asset Inventory

The following table provides details regarding the historic structures, neighborhoods and other assets within the City of Galveston. This information was used to generate maps showing historic assets throughout the Plan, and was used in discussions and reviews of hazards, vulnerability and potential loss.

For privacy reasons, Table I.1-1 is redacted from public versions of this Plan.

Map I.1-1 below shows the location of the historic structures identified in this inventory.

The City of Galveston, Texas
